

1ST ANNOUNCEMENT

The South African Association of Veterinary Technologists and SAVETCON invites you and your company to the South African Association of Veterinary Technologists Congress, **19-20 April 2016** at The Blades, on the banks of the Roodeplaat dam, Pretoria.

We are working diligently to assemble an interesting programme focusing on the South African market.

Speakers and delegates will be specialists in the laboratory field. Day to day laboratory activities such as quality management, diagnostic technologies and research will be highlighted. You will also be able to network with role players from the veterinary and para-veterinary field.
